Community Mayors, Inc. History

“No One Is So Tall As When They Stoop To Help A Handicapped Child”

“Wireless” Louis Zeltner in 1875 as the Locality Mayors, the organization included Teddy Roosevelt among its notable members. In 1957 the organization was reincorporated as the Community Mayors under the leadership of Dominick Della Rocca, K.M., and The Community Mayors began providing “Recreational Therapy” for children with special needs. Dominick dedicated his life to the children with special needs for 50 years. Today, under the leadership of his daughter, Shelley, the Community Mayors sponsor a series of events benefiting tens of thousands of special children. This concept provides these children with special needs activities that gets them out of hospitals and classrooms, and allows them to experience many activities that would otherwise not be available to them.

The Community Mayors membership includes business and community leaders aided by thousands of dedicated volunteers from uniformed service organizations, businesses, government and the community at large. This is one of the few organizations where all the money raised for the children goes to the children. The most amazing thing is there is no paid staff. The members, officers and volunteers give of their time freely.

The Community Mayors are very proud of their record, serving the needs of so many special children throughout the years. None of these activities or events would have been possible without the generous contributions of those who have donated their time and financial support. Our continuing success is a testament to their dedication and commitment.

We emphasize the outings listed below to illustrate the wide variety of activities the children enjoy. The Community Mayors warmly extends its appreciation and heartfelt thanks.
