We are proud to announce that we have been rated "GOLD" by GuideStar!

July 15, 2016

Dear Mayor and Friend:

Ours is not a big organization in terms of membership size, but it is big in the larger, more important sense...that together we are able to accomplish great things in the lives of those we serve. The Community Mayors is a living, evolving organization focused on preserving our sense of responsibility and belonging to the human race and living our obligation to reach those less fortunate in the world we share. We are an unfettered group of less than 100 men and women who gain the heartwarming satisfaction of positively and profoundly impacting the lives of children with special needs. We come together to fulfill our pledge of "Man's Humanity to Man" and through your continued assistance and support we bring smiles and cheer to thousands of children with special needs.

The Community Mayors distributes 91% of every dollar donated to our organization directly to programs for children with special needs, and we have no paid staff.

Our honorees represent the true heart of the volunteer and are truly inspiration to us all. Please show them your support and your continued commitment to the children we serve by selling and/or purchasing additional tables and journal advertising for our annual fundraising Gala this year.

To maintain our all-important work, to enrich and expand the activities we offer children with special needs, The Community Mayors needs your help. With your help we will continue to be able to serve the children in our communities who need us most and sustain our legacy for future generations. Together, we can provide these children with special needs experiences that engage their minds, hearts, and spirits.

We are asking you for your continued support.

Sincerely,

Shelley Della Rocca Aprea
